Hello Friends,

As we celebrate the 50th anniversary of the Toe River Studio Tour, we invite you not only to explore the incredible creativity of our region, but to actively support it. Every purchase you make—whether it’s a piece of art, a meal at a local restaurant, or a stop at a neighborhood shop—directly sustains the people and places that make this community so special.

This year’s tour carries added meaning. Our region continues to feel the impacts of Hurricane Helene, and many of our artists, businesses, and neighbors are still in the process of rebuilding. Your presence here matters. Your support makes a tangible difference.

We are deeply grateful to welcome you, and we hope you’ll take your time, connect with artists, and invest in the vibrant creative economy that has defined this area for generations. Thank you for being part of this milestone year and for helping ensure a strong future for the next 50 years.

Nealy Andrews
Executive Director, Toe River Arts

MEMBERSHIP

Toe River Arts works to support the arts by imagining a brighter future where arts and community unite to thrive. For over four decades, with memberships and donations, funding and friends, we have worked to offer programs, activities, and opportunities that engage and enlighten those who stay for a lifetime or only a day.

You do not have to be an artist to join, you just have to care about the arts. Our members care about this land and the people that live here. The arts benefits and enriches our thriving community. Everyone benefits when you support Toe River Arts. Please check the website for more information about becoming a member.

THANK YOU!

The Board of Directors, staff, Studio Tour Committee, and volunteers of Toe River Arts and our participating artists and galleries would like to thank the following organizations for their commitment to the arts in Mitchell and Yancey Counties:

The North Carolina Arts Council; The National Endowment for the Arts; The Community Foundation of WNC; the Yancey County School Board; the Samuel L. Phillips Family Foundation; the Blumenthal Foundation; the towns of Burnsville and Spruce Pine; the Yancey County Commission; and Penland School of Craft.

We would also like to thank our Friends of Toe River Arts donors for believing in our mission and the importance of the suitability of the organization.

We love and appreciate our sponsors, **Explore Burnsville** and **Discover Mitchell**, as well as all of our local advertisers - artists, galleries, craft schools, goods & services, and food, drink & accomodation establishments. Please visit them and take advantage of the services they provide.
